**AMENDED ORDER REGARDING CLOSE OF CLASS**

The parties have agreed that it is the best interest of both parties to close the class. The class membership will close effective May 25, 2022 at the close of business.

The Commission also agrees that it is the best interest of the parties and the Commission to close the class. The alleged denial of promotion must occur before May 25, 2022 in order to be subsumed into the class. The Agency is ordered to tell individuals who file retaliatory failure to promote claims that they are not a member of the *Turner* class for six months after the class closure, until November 25, 2022.

The Commission retains the authority to further define the class in the future as appropriate reviewing the facts and the case law.

IT IS SO ORDERED.
